MESSAGE FROM THE CHAIRMAN, BOARD OF GOVERNORS SHUHADAE ISLAMIC SECONDARY SCHOOL

Bismillahir Rahmanir Raheem.

Alhamdulillah, all praise is due to Allah (SWT), the Lord of the worlds, who has granted us life, health, and the blessing of knowledge. Peace and blessings be upon our beloved Prophet Muhammad (SAW), his family, his companions, and all who follow his guidance until the Day of Judgment.

**Assalamu Alaikum Warahmatullahi
Wabarakatuh.**

On behalf of the Board of Governors of Shuhadae Islamic Secondary School, I extend my heartfelt congratulations to the graduating scholars of this noble institution. Today is not just a ceremony — it is a celebration of hard work, discipline, faith, and the pursuit of knowledge, both Islamic and secular.

To our dear graduates: You have persevered through years of learning, memorization, spiritual development, and personal growth. Your success is not only a reflection of your dedication, but also of the tireless efforts of your teachers, the support of your parents, and the guidance of Allah (SWT). As you step into the wider world, remember that your knowledge is a trust (amanah). Use it to benefit others, to uphold justice, to speak the truth, and to live as role models of Islamic character and integrity.

To the parents and guardians, thank you for entrusting your children to us. Your sacrifices and prayers have played a vital role in this achievement.

To our teachers and school administrators, may Allah reward you abundantly for your patience, commitment, and passion for nurturing the next

generation of Muslim leaders.

Let us remember that graduation is not an end, but a beginning. It is now the duty of our graduates to live the knowledge they have acquired, to protect it, and to teach it to others. The Ummah is in need of scholars who combine knowledge with action, wisdom with humility, and leadership with piety.

May Allah (SWT) bless our school, guide our graduates, strengthen our community, and accept this humble effort in His cause.

MESSAGE FROM THE HEADTEACHER

“Today marks the end of one chapter in your journey and the beginning of a far greater one.”

knowledge by degrees” Prophet Muhammad SAW said “Who ever takes a path in search for knowledge, Allah will make easy for him a pass to paradise” (Sahih Muslim 2699).

Ladies and gentlemen, we have gathered here not merely to celebrate an academic achievement . We are fulfilling a spiritual command and adherence to creed as guided by the Holy Quran and the Hadith.

Since the start of the Thanawi program in 2016, the school has produced 84 sheiks /Sheikhats (Thanawi certificate holders). As a result , the teaching of Islamic theology in primary schools, secondary schools as well as the community in this region has tremendously improved. Mr. Guest of honor, allow me to report to you that most Muslim founded primary and secondary schools can now do IPLE due to adequate man power produced by this gallant institution. The institution is on the right trajectory to sort manpower problems in Da’awa and theological education that have bedeviled this part of the country since time immemorial.

In this realm, I would like to heartily appreciate the government of Uganda through the Ministry of Education , Uganda Muslim Supreme council, the school governing committees(B.O.G and PTA) for unwavering support and commitment towards the education of these children “ May Allah continue blessing you”

To our beloved parents and guardians may Allāh reward you abundantly for your sacrifices, patience, and support. You have nurtured these young hearts in the light of Islam and today, you witness the fruits of your efforts. Jazakumullāhu khayran.

To our dedicated teachers and staff you have not only taught with your knowledge—you have taught with your hearts. Your work is a sadaqah jāriyah (continuous charity). May Allāh accept your efforts and elevate your ranks.

Dear graduates today marks the end of one chapter in your journey and the beginning of a far greater one. You have studied the Qur'an, Hadith, Fiqh, Aqīdah, and many other branches of sacred knowledge. But the most important lesson we hope you carry is that learning never stops. The Prophet Muhammad ﷺ said:

“Seeking knowledge is an obligation upon every Muslim.” (Sunan Ibn Mājah)

What you have learned here is not just for yourselves—it is for the Ummah. It is a trust, an amānah. Whether you become scholars, teachers, professionals, or community leaders, let your actions reflect the beauty and mercy of Islam.

I remind you of the beautiful du‘ā of the Prophet ﷺ:

“O Allah, benefit me with what You have taught me, and teach me that which will benefit me, and increase me in knowledge.” (Sunan al-Tirmidhī)

Continue to seek knowledge. Continue to purify your intentions and continue to serve the Ummah with humility, wisdom and sincerity.

As you go forth, carry the flag of Islam with dignity. Be examples of good character (akhlaq), truthfulness (ṣidq), and patience (ṣabr). You are the ambassadors of the values we hold dear.

May Allāh guide, protect, and grant you success in both worlds

Our guest of honour, we thank Allah for blessing you with a noble heart and a position of influence.

We ask you kindly to give Shuhadae Islamic secondary school some kind of affirmative action in as far as study assistance is concerned. The region is struggling in relation to graduate Sheikhs yet the Muslim population and need for Da'awa are on the rise. We thank you for honouring our invite and ask Allah to grant you a peaceful journey back.

Our continuing students from S1-S6, we pledge to work and never tire until you make it Biithinillah, stay focused, be disciplined, hardworking and InshaAllah you will move mountains.

Wa akhiru da‘wāna anil-ḥamdu lillāhi rabbil-‘ālamīn.

DIRECTOR OF STUDIES (SECULAR)

The distinguished guests, proud parents, guardians, and most importantly, our graduating students.

It is both an honor and a privilege to stand before you today on this momentous occasion as the Director of Studies. Graduation marks a significant milestone in the lives of our students—a celebration of hard work, perseverance, and personal growth.

To our graduands: today is the culmination of years of learning, dedication, and resilience. You have faced academic challenges, deadlines, and—perhaps most importantly—moments of self-doubt. But you have prevailed. You have not only met expectations, you have often exceeded them. You've grown not only in knowledge but in character, maturity, and confidence. For that, we applaud you.

To the faculty and academic staff: thank you for your unwavering commitment to excellence. Your role in shaping these students goes far beyond the classroom. You have mentored, challenged, and inspired them to reach their full potential.

To the parents, guardians, and families: your support, patience, and belief in these

graduates have been the foundation of their success. You share in this achievement today.

At our institution, we believe that education is not just about acquiring facts or passing exams. It is about developing the ability to think critically, act ethically, and serve others meaningfully. These graduates leave here not just with certificates, but with the tools to make a difference in the world.

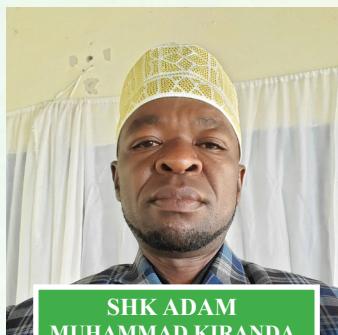

As you step into the next chapter of your lives—whether into higher education, the workforce, or other adventures—I urge you to carry with you the values that have been instilled during your time here: integrity, curiosity, resilience and compassion.

Let this graduation not be an end, but a beginning. Continue to learn. Continue to grow. Continue to make an impact.

Once again, congratulations to the Class of [2023,2024]. We are proud of you. We believe in you. And we cannot wait to see what you will accomplish.

Thank you, and enjoy the celebrations ahead.

All praise and thanks are Allah's the sovereign ruler of this universe, the omnipotent, omnipresent, may his peace and blessing be bestowed or showered upon the seal of prophecy Muhammad [P.B.U.H] and his household

First and foremost, my appreciation goes to the founder of our beloved school shuhada'e Islamic secondary school for the great work they did for us. And we pray for the everlasting blessing be showered on those that made us light in the total darkness which shown us away to the end of the world. My dear brothers and sisters its high time to raise what they fabricated in us to show the world that what is imbedded is mowed. Not to be seeds

of the bare growing fruits covered by shame.

As there is no darkness in the moonlight lets shine and raise for Islam.

The remainder to you all; the future rewards those who press on I don't have time to feel sorry for myself, I don't have time to complain, I am going to press on. Just hold your belief with in you, say that I can held your trust with in Allah and everything will get done. Fear none because you're the champion to be the legend.

A champion never gets afraid of challenges to become a legend.

Message From Martyrdom to Legacy: The Unbroken Spirit of Shuhada'e

By Amuhe Hamuza, Chairperson, Shuhada'e Islamic Old Students Association (SIOSA).

The Rwizi River flows through our collective memory as both witness and testament. In 1979, as Uganda navigated profound political change, Muslim communities in Sheema District endured trials that would etch themselves into our shared consciousness. Sixty-seven innocent lives were lost, guardians of faith, protectors of family, bearers of dignity. Their final rest in the Rwizi's currents transformed these waters into a sacred chronicle of sacrifice. When survivors later founded Shuhada'e Islamic Secondary School in 1992, its very name - "Martyrs" - became a declaration that education would be our living memorial. I recall those early days when students gathered under trees with shared Qur'ans, their uniforms patched but pride unwavering, as teachers wrote lessons on chalkboards proclaiming "Your pen is your sword." This was more than a school, it was a sanctuary where laughter on the playing fields slowly healed silent wounds, and where children of victims and neighbors sat side by side, embodying the Qur'anic values of mercy and moral courage that would define our character.

Over three decades, Shuhada'e evolved from makeshift classrooms to a beacon of academic excellence. The

perseverance of pioneers like Hajjat Aisha Nalwoga (Class of 95), who walked twelve kilometers daily to attend, laid foundations for triumphs that would follow. By early 2000s, our first national examination distinctions silenced skeptics who doubted a "mosque school" could excel. Today, that legacy continues in laboratories where students probe scientific frontiers and libraries stocked with volumes spanning from classical tafsir to artificial intelligence. This journey from resilience to excellence culminated in 2013, when 200 alumni gathered to formalize their commitment through the Shuhada'e Islamic Old Students Association (SIOSA). What began as a fellowship of memory has grown into a thousand-strong force, united by a covenant: to honor the fallen by lifting the living.

The spirit of this covenant came alive during our revitalized Ramadhan Convention this past March 2025. As dusk softened the skies on the 22nd, 150 alumni joined students along the Rwizi's banks where history's echoes mingle with hope's whispers for an Iftar of shared blessings and mentorship. The following afternoon, the football pitch became a tapestry of intergenerational joy as seasoned alumni traded playful

challenges with spirited scholars, their camaraderie a testament to enduring bonds.

Yet our work extends beyond these cherished gatherings. The Rwizi's current struggle, its waters clouded by erosion, its banks weakened by deforestation, mirrors broader societal challenges that demand our collective response.

To every alumnus reading these words, know this: The child who scores 90% in Biology and dedicates it to a 1979 martyr, the young programmer using SIOSA's network to launch a tech hub, the teacher who transforms trauma into triumph, they are your legacy. When you sponsor a scholarship, mentor a future leader, or plant a tree along the Rwizi, you inscribe new verses in our ongoing story. The river remembers the past not to dwell in shadows, but to illuminate paths forward. Join us in ensuring Shuhada'e remains a wellspring of hope, where laboratories rise where anguish once festered, and where the currents of progress flow as steadily as the Rwizi's timeless waters. The river remembers. So must we.

الحمد لله الذي علّم بالقلم علم الإنسان ما لم يعلم، الحمد لله السميع العليم الذي وسع علمه كل شيء، الحمد لله الذي كرم العلم والعلماء فقال: "يرفع الله الذين آمنوا منكم والذين أتو العلم درجات" والصلوة والسلام على النبي الكريم معلم الناس الخير وهاديه إلى صراط المستقيم وعلى أصحابه وآلهم الطيبين الطاهرين ومن تبعهم بحسان إلى يوم الدين.

السلام عليكم ورحمة الله وبركاته

نُرحبكم في هذه الحفلة التخرج الدفعة الثالثة في حرم المعهد، فطبتم وطاب سعيكم ومشماكم.

سعادة ضيف الشرف وضيوفنا الكرام. إنه لشرف عظيم لي، أن أقف اليوم أمامكم ممثلاً لزملائي الخريجين والخرجات لأقرأ تقرير الطلبة الخريجين الذين بسببيهم اجتمعنا في هذه البقعة المشرقة. عدنا لا يفوق مائة طالب وطالبة، ولكن لبعض المعوقات المختلفة لم يتمكن بعض إخواننا وأخواتنا مواصلة دراسة معنا، فكلما انتقلنا من صفين إلى آخر كان العدد يقل، إلى أن وصلنا إلى السنة الشهادة الإعدادية والحمد لله.

انتقلنا إلى المرحلة الثانوية وعدنا أكثر من خمسين طالباً، ولكن بمشيئة الله وتوفيقه نتخرج اليوم أقل من طالباً.

سعادة ضيف الشرف ضيوفنا الأوفياء دعوني أخبركم أن بعض الإجازات التي تحصلنا خلال دراستنا في هذا المعهد الميمونة

1. النيل على الشهادة الإعدادية

2. عثنا في المعهد خلال دراستنا في غاية الأمان والسلام

3. تمكننا آباءنا وأمهاتنا دفع رسومات المعهد وسائل متطلبات المعهد

4. تعلمنا الحاسوب وما يتعلق من علوم المختلفة

بسم الله الرحمن الرحيم

الحمد لله رب العالمين، والصلوة والسلام على سيدنا محمد، وعلى آله
وصحبه أجمعين.

السادة المعلمون الكرام، أولياء الأمور الأفاضل، إخوتي وأخواتي الخريجين
والخريجات، السلام عليكم ورحمة الله وبركاته.

في هذا اليوم المبارك، نقف جميعاً على أعتاب مرحلة جديدة في حياتنا، بعد
سنوات من السعي، والاجتهد، والتعلم في رحاب مدرسة شهداء الثانوية
الإسلامية، التي غرسـتـ فيهاـ الـقـيمـ، وـغـذـتـ أـرـواـحـناـ بـالـعـلـمـ وـالـإـيمـانـ.

نود أن نعبر عن شكرنا العميق لله سبحانه وتعالى الذي وفقنا للوصول إلى
هذا اليوم، كما نخص بالشكر معلميـناـ الـكـرـامـ الـذـيـنـ كـانـواـ لـنـاـ نـورـاـ نـهـدـيـ بهـ،
وـأـهـلـنـاـ الـذـيـنـ دـعـوـنـاـ بـالـدـعـاءـ وـالـصـيـرـ وـالـمـحـبـةـ.

اليوم لا يعني نهاية الطريق، بل هو بداية لمسؤولية عظيمة نحملها كخريجين
في العلوم الإسلامية. علينا أن تكون سفراء للعلم، دعاة للحق، ونماذج للخلق
الرـفـيعـ، فيـ كـلـ مـكـانـ نـذـهـبـ إـلـيـهـ.

نسـأـلـ اللـهـ أـنـ يـبـارـكـ فـيـ عـلـمـنـاـ، وـيـجـعـلـهـ حـجـةـ لـنـاـ لـاـ عـلـيـنـاـ، وـأـنـ نـكـونـ مـنـ الـذـيـنـ
".يرـفـعـ اللـهـ الـذـيـنـ آـمـنـواـ مـنـكـمـ وـالـذـيـنـ أـوـتـواـ الـعـلـمـ درـجـاتـ"ـ:ـقـالـ فـيـهـمـ سـبـانـهـ

وفي الختام، أـبـارـكـ لـإـخـوـانـيـ وـأـخـوـاتـيـ الـخـرـيـجـيـنـ، وـأـسـأـلـ اللـهـ لـنـاـ جـمـيـعـاـ
الـتـوـفـيقـ وـالـسـدـادـ فـيـ الدـنـيـاـ وـالـآـخـرـةـ.

وـالـسـلـامـ عـلـيـكـ وـرـحـمـةـ اللـهـ وـبـرـكـاتـهـ.

A JOURNEY OF LIGHT

Bismillāh we began our way,
Learning Qur'an, every day.
Letters, rules, and Prophet's life,
Through every joy, and every strife.

We came as children, shy and small,
Now we stand, a bit more tall.
With hearts that carry words so true,
From books of gold, and Sunnah too.

Our teachers taught with love and care,
Guiding us with every prayer.
They showed us how to walk the deen,
To be both kind and always clean.

Our parents stood with love so bright,
Helping us through every night.
Their duas lifted every tear,
Their smiles chased away each fear.

Now it's time to say goodbye,
But we won't forget, and we won't cry.
For in our hearts, this school remains,
Like gentle spring after the rains.

O Allah, keep our steps so firm,
Help us live and help us learn.
Make us light in this dark land,
And guide us gently by Your Hand.

To all my sisters, young and dear,
Never let go of what you hear.
Hold the Qur'an close and tight,
Let your words reflect its light.

So here we stand, proud and true,
Muslim girls, with work to do.
With faith, with strength, we will arise,
Insha'Allah, towards the skies.
Allahuma Ameen.
